nest® WOODEN OUTDOOR FURNITURE

nest® WOODEN OUTDOOR FURNITURE

nest furniture offers collections made of the tropical wood Yellow ballau, a timber which is meant to be used outdoor. The wooden structure is combined with materials such as powder coated aluminum, stainless steel, waterproof cords & belts and cushions made of high quality outdoor fabrics.

Contemporary design, clear lines, elegance and comfort are the main aspects of nest. Whether is your garden, your veranda or a public contract space such as a hotel or restaurant, the class and style of nest furniture will make it look astonishing.
